

A SERVICE TO CELEBRATE THE LIFE
OF

ADAM DOUGLAS WILLSON

Sincere Thanks

*Perhaps you sent a lovely card,
Or sat quietly in a chair.
Perhaps you sent a floral spray,
If so, we saw it there.
Perhaps you spoke the kindest words
As any friend would say.
Perhaps you were not there at all;
Just thought of us that day.
Whatever you did to console our hearts,
We thank you very much...*

*During this time of sorrow we learn how
much our family and friends really mean to us.*

*Thank you so much for your kindness and
sympathy at a time when it was deeply appreciated.*

With love from Adam's Family

Welcome & Introduction

"The Dash"

I read of a man who stood to speak at the funeral of a friend.
He referred to the dates on his coffin from the beginning to the end.
He noted that first came his date of birth and s
poke the following date with tears,

9th April, 1982 to 14th April 2022,

But he said what mattered most of all was the dash between those years.

For that dash represents all the time that Adam spent alive on earth..
And now only those who loved him know what that little line is worth.
For it matters not, how much we own; The cars. The house. The cash,
What matters is how we live and love and how we spend our dash.

So think about this long and hard. Are there things you'd like to change?
For you never know how much time is left, that can still be rearranged.
If we could just slow down enough to consider what's true and real,
And always try to understand the way other people feel.

And be less quick to anger and show appreciation more
And love the people in our lives like we've never loved before.
If we treat each other with respect, and more often wear a smile...

Remembering that this special dash might only last a little while.
So, when your eulogy's being read with your life's actions to rehash..
Would you be proud of the things they say about how you spent your dash?
